## The MyFREEPharmacy Program Offering

We are on a mission to change the Pharmacy Industry.

We offer medications **FREE** with membership, creating significant savings each month. We have four specialties that we focus on to save you the most money.

### *Free Acute Medications* (Immediate Need)

If you have an immediate need for these types of medications, we have included a prescription card in the welcome packet to use at a retail pharmacy. This card includes the top most prescribed acute medications for **FREE**, for up to a 21-day supply at over 64,000 pharmacies nationwide.

### *Free Maintenance Medications* (Chronic Needs)

Maintenance drugs are medications prescribed for chronic, long-term conditions and are taken on a regular, recurring basis. Examples of chronic conditions are: high blood pressure, high cholesterol and diabetes, to name a few. These drugs are well-established medications that have proven safety and efficacy and are considered first-line therapy options for the treatment of common chronic conditions.

### *Over-The-Counter Medications* (Everyday)

MyFREEPharmacy offers the most common Over-The-Counter medications, such as Ibuprofen, Acetaminophen, Fexofenadine, Diphenhydramine and others at a fraction of the price. We know the little things add up each month so we aim to save you money on the medications you use everyday.

## SaveOnDiabetes

*Glucose Meters, Test Strips, Medications & More!*

SaveOn Diabetes is our game-changing program for members with Diabetes in which they will get a **FREE** meter, low cost testing strips, lancets and more. Many people have diabetes and one in three Americans are pre-diabetic, make sure you are keeping an eye on the warning signs. Read our special insert for more information.

# How The Program Works

*The Details About How, When and Where*

When it comes to the MyFREEPharmacy Program, we want to make sure you have a good understanding of how it works so you can fully take advantage of the services and savings. Below is information for the core areas, phone numbers and details about each of them. If you have additional questions, feel free to call us at 1.800.974.7036.

## Head To Your Local Pharmacy

If you have an immediate need for these types of medications, we have included a prescription card in the welcome packet to use at a retail pharmacy. This card includes the top 124 most prescribed acute medications for **FREE**, for up to a 21-day supply at over 64,000 pharmacies nationwide.

## Present Your Card

Present your card to your pharmacist where they will confirm your membership and process your prescription.

## Enjoy The Savings

Once processed you will now have access to your medication (up to a 21-day supply) from our acute formulary. If your prescriptions are not on the formulary, you will receive our best pre-negotiated prices.

## Have Your Prescription Sent To Us

Your doctor can ecribe, fax, or call in your prescription directly to our home delivery facility. our staff will receive the script and contact you to verify personal and payment information.

- **Fax Number:** (855) 636-5473
- **Phone:** 1.800.974.7036

## Transferring Prescriptions

If you need to transfer a prescription, we initiate a prescription request from your local pharmacy or physician and have it transferred to MyFREEPharmacy. If there are any issues facilitating the receipt or transferring of your prescriptions to our pharmacy, we will reach out to you via email and/or phone to get your assistance.

## Safe, Secure and Trackable Delivery

We have partnered with USPS to make sure your packages arrive safely and securely in your mailbox. All packages that leave our facility are scanned and tracked through USPS' tracking system so that you always know where your package is, until it arrives at your door. Shipping only takes 3-5 business days to almost anywhere in the U.S.

**Over-The-Counter medications** do not require a prescription, so anyone can purchase them for every day use. We offer the most used drugs like Acetaminophen, Ibuprofen, Vitamin C, Calcium, and others that your family uses daily.

## Home Delivery

We offer **FREE** shipping right to your home on orders over \$25 unless it is bundled with a prescription, then it also ships **FREE**.

## Our Medications Are Sourced in The U.S.A.

At MyFREEPharmacy, we make sure our medications are produced under the highest quality standards and are sourced in the United States of America to ensure our members have genuine high-quality drugs. It is not uncommon to find companies getting their drugs from overseas where there are no set standards and no way to know if the medications are even produced to specifications. We make sure our medications and supplies are tested and approved by the FDA.

# ACUTE FORMULARY (IMMEDIATE NEED MEDICATIONS)

The most utilized acute medications in our formulary **FREE** for up to a 21-day supply! If there is an emergency, sickness or injury and you need your medications fast, our membership card will allow you to fill your prescription at any of 64,000 pharmacies nationwide for **FREE**. Each medication may only be filled (2) times within a 180 day period. Fills after first two will be standard contractual pharmacy rates. For Chronic Medications, please call or refer to the Chronic Formulary.
